

Colour like Kandinsky

WITH KRISTINE BALLARD

EXPRESSIVE ABSTRACTION

Do you love colour and abstraction?

This workshop is for anyone who loves colour and wants to be more expressive in their art creation.

Kandinsky will be our inspiration in the workshop where you get to be an abstract expressionist driven by colour and sound.

Learn how to interpret your subject matter into an artwork full of energy and vibrancy. Based on acrylics (can accommodate oil painters) you will learn how to take your favourite colours and use them expressively.

No skills required, just enthusiasm and a love for colour.

YOUR FACILITATOR

Kristine Ballard is a practicing artist and arts educator. She has exhibits and teaches in Australia and internationally.

The originator of the Fragmatism[®] style, she will help you develop and nurture your very own contemporary style.
